

Public Recruiting of Staff

March 13 , 2025

- Organization: Kyoto University
- Department: Projective Research on Integrated Radiation and Nuclear Science, Institute for Integrated Radiation and Nuclear Science
- Research Field: Materials science, quantum optics, development of spectroscopic method.
- Core mission: Investigation on advanced materials science and quantum optics using nuclear methods such as Mossbauer spectroscopy and development on related spectroscopic method.
- Scope of change: Operation of the Kyoto University (education, research, and administration).
- Job position: Assistant Professor (1 person)
- Qualification and required skills: The successful candidate should have obtained a Ph.D./doctoral degree within 7 years.
- Starting date: Early as possible
- Term of employment: The employment contract is for 7 years. (No extension) Note that, upon selection, the successful candidate may be promoted to a tenured position at any of the research divisions.
- Close of Application: Application must be accepted by 25 April, 2025, 05:00 p.m. JST.
- Documents to be submitted:
 1. Curriculum Vitae (a photograph must be attached.)
 2. A list of your academic publications (divided clearly into refereed journal papers and others), together with electric files of major 5 publications
 3. A brief review of research and contributions, the names of some references (include addresses, phone numbers and e-mail addresses) (up to two A4 pages)
 4. A statement of research plans and interests, describing research experiences on related areas (up to two A4 pages)
 5. A description on other activities (on research funds, academic society and social activities), together with the names of some references (including addresses, phone numbers and e-mail addresses)
 6. A recommendation letter by a reference (KURNS accepts self-recommendations.)
 7. Electric data (CD or USB) including above mentioned documents.
- Send application:

Administration office
Institute for Integrated Radiation and Nuclear Science, Kyoto University
2-1010, Asashiro-Nishi, Kumatori-cho,
Sennan-gun, Osaka 590-0494 JAPAN
TEL:+81-72-451-2300
FAX:+81-72-451-2600

(Please send your application documents by registered mail to the above address, with “Assistant Professor position application documents enclosed”.) We will not return application documents.
- Inquiries: Prof. Makoto SETO
TEL+81-72-451-2670, E-mail: seto*rri.kyoto-u.ac.jp (replace the (*) with @)
- Gender equality:

Kyoto University strives to increase the share of women in academic positions. Given equal qualifications, preference will be given to female applicants, under the provisions of Article 8 of the Equal Employment Opportunity Act.

In addition, please indicate in the curriculum vitae any periods of interruption in research due to childbirth, childcare, nursing care, etc. The achievements during the period will be reviewed

as if the applicant had made the same achievements before and after the period of absence.

• Others:

For more information, please link up the following address at <https://www.rri.kyoto-u.ac.jp/en/>. After being hired, he/she belongs to the Faculty Consort of Integrated Radiation and Nuclear Science and works at the Institute for Integrated Radiation and Nuclear Science in Kumatori-cho, Osaka, Japan.

Discretionary labor system, based on 7 hours and 45 minutes (8:30–17:15 work schedule with one-hour break) per day, 38 hours 45 minutes per week. If the university permits or orders telecommuting, one can work from home, etc. If the discretionary labor system is not applied, the employee works from 8:30 to 17:15 five days a week (break 12:00-13:00).

There may be cases where one is ordered to work overtime.

Days off: Saturdays, Sundays, National holidays, Year-end and New Year holidays, and Foundation Day.

Maternity leave system and childcare leave system are available. Refer to <https://www.kyoto-u.ac.jp/sites/default/files/inline-files/ikuji-kaigosien0410-c74cf0c42984efbfecaa3d9475abbe8.pdf>

Salary and Allowance: To be determined in accordance with Kyoto University regulations.

Social insurance:

- (1) National Public Service Mutual Aid Associations
- (2) Employee's pension insurance
- (3) Unemployment insurance
