

Pasting Sheet for Pay statements

Student No.: _____

Student Name: _____

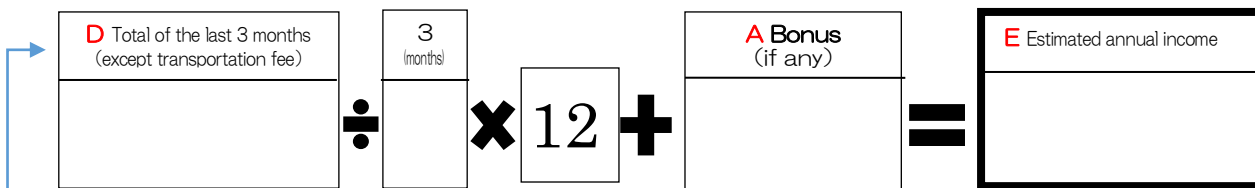

① Name on this statement () ② Relationship ()

③ Company name () • If you are employed at multiple places, attach them to this sheet by each work place.

④ Employment date (day month year)

⑤ A bonus Yes (yen/year **A**) • No
 (If Yes, write the annual amount and submit copies of the document that show the bonus amount)

⑥ Estimated annual income Calculate based on salaries from the last three months and fill in the following.

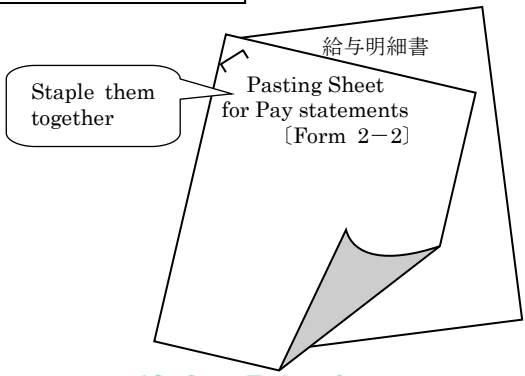

One-month income = **B (total amount)* - C (transportation fee)**
 (month) yen
 (month) yen
 (month) yen
D [total of 3 months] yen

【Notes】
 • Please submit [Form2] instead if you cannot submit pay statements of the last three months because of newly-employed/unstable jobs, lost pay statements, or when the actual income will be different from the above calculation.
 • Enter the amount which you calculated above in your application.

* This is not 'net payment amount'.

⑦ Paste pay statements (給与明細書) of the last three months here

- If the copy is A4 size or larger, staple them to this sheet.
- Please paste them on this sheet if copies are smaller than A4 size.
